

Looking for BHS Stagemasters Alumni!

This message is for everyone who, at some point in their years at Barrington High School, was a part of the BHS Stagemasters family. For many of us, a lot of our best high school memories revolve around long hours in the auditorium and the preparations and performances of countless Stagemasters productions. The camaraderie and spirit of those experiences have lasted long after graduation and some of the friendships that were forged then are still going strong today.

A few ex-Stagemasters got together and decided to try and reunite as many Stagemasters as possible. With that goal in mind, we have formed the BHS Stagemasters Alumni Group (SAG). Please visit the group's website at **BHSStagemasters.org!** Once on the site, you can register and bring us up to date on where you are, what you're doing and how other people can reach you. After you've registered, we'll send you our "Current SAG Mailing List". Please help us locate more people.

We are currently in the process of planning a S.A.G. reunion for the spring. We are trying to coordinate this gathering with a current Stagemasters production. We had a good turnout for a "short notice" reception that we held in November but over three times that number have already expressed interest in the spring reunion. We're hoping to rival the attendance of the Jamestown reunion held in the late '70's. By the way, if you were part of the planning of that event, we would love to hear from you!

We have also established the **Barbara G. Duley Scholarship Award**. The award will be given to a graduating Stagemaster each year and that student's name will be added to the award's plaque to be displayed near the auditorium. We have already received over \$1,200 in pledges. We're off to a great start! S.A.G. was formed as a 501(c)(3) organization so that all contributions will be tax deductible. Documentation of your contributions will be provided. There is still time for those of you who would like to contribute and have the tax deduction benefit your 2006 tax year.

Please email us at info@bhsstagemasters.org if you would like more information.

Thanks,
